

Would you like to make a difference to people and communities?

Would you like to use your skill set and experience as a voluntary Committee Member?

Do you have a couple of hours each month to help shape the future of Spire View Housing Association?

Spire View Housing Association is a leading provider of high quality housing. We are a Registered Charity and a Registered Social Landlord with the Scottish Housing Regulator. We own and manage 556 homes in Royston, Glasgow. Our mission is to provide locally based high quality, affordable housing and services which will contribute to the well-being of the community we serve. We take great pride in the standard of service we deliver.

This is an exciting time to be part of the Spire View team as in the next few months, we will be opening our brand new state of the art Community Hub. We are also about to go on site with our new build housing development – our first development in 14 years!

Spire View is led by an experienced Management Committee that has overall responsibility for the governance and strategic direction of the Association. As a Committee member you will be involved with the planning, monitoring and control of high quality, efficient services to our tenants and service users.

The Management Committee works closely with our senior management team to achieve these aims.

As part of our succession planning, we are recruiting new members who have an interest, skills and commitment to help the Association achieve its aims and objectives.

Above all, we need people with the passion and commitment to make a real difference to those in housing need.

We are committed to equality and diversity and welcome people from all sections of the community.
