1. Purpose

- 1.1 The aim of this Policy is to ensure the effective inspection, maintenance and management of all electrical installations, fixtures and relevant appliances within premises controlled by the Association.
- 1.2 All electrical repair work and Electrical Installation Condition Reports will be sub-contracted to an external competent body.
- 1.3 The procedures detailed within this section are intended to facilitate the effective management of electrical safety, ensuring that all reasonable steps are taken to comply with the Consumer Protection Act 1987 and the Electrical Equipment (Safety) Regulations 1994.

2. Definitions

“Competent Person” – person suitably trained and qualified by knowledge and practical experience, and provided with the necessary instructions, to enable the required task (s) to be carried out correctly.

3. References (see also Section 8.4 – Guidance)

- British Standard BS7671:2008
- The Consumer Protection Act 1987
- The Electrical Equipment (Safety) Regulations 1994

4. Electrical Checks

- 4.1 The Association will ensure that all electrical installations, fixtures, fittings, and any electrical equipment provided by us, is safe, in a reasonable state of repair and in proper working order at the start of the tenancy and throughout its duration. This will be done by instructing an appropriate electrical void check to be carried out.
- 4.2 The Association will ensure that service contractors carrying out Electrical Installation Condition Reports (EICR) are competent within the terms of the Regulations and are members of recognised professional bodies.
- 4.3 The EICR will be carried out every five years.
- 4.5 The Association will retain a copy of the Electrical Installation Condition Report for six years. A copy of the most recent report will be issued to the tenant before a tenancy starts. If an inspection is carried out during a tenancy, a copy relating to that inspection will also be given to the tenant

5. Portable Appliances

- 5.1 The Association will take reasonable steps to ensure that all appliances provided as part of the tenancy agreement are safe.
- 5.2 An appropriate portable appliance testing (PAT) regime will be implemented for any appliances issued by the Association.
- 5.3 All portable appliances issued by the Association will have the CE Mark, the British Standard Kitemark or the 'BEAB Approved' mark.
- 5.4 The Association will issue tenants with a copy of the manufacturer's instructions for all appliances provided.

6. Repairs and Emergencies

- 6.1 Should any faulty equipment provided by the Association be observed, the Association will take them out of service if deemed necessary until it is repaired or replaced.
- 6.2 The Association will use a competent service contractor to carry out repairs and emergency responses.

7. Tenant Responsibilities

- 7.1 Tenants will be issued with information on electrical safety.
- 7.2 Tenants will be advised to report any electrical faults immediately.
- 7.3 Tenants will be informed of any electrical items which are prohibited within Association premises

8. Review Period

- 8.1 This policy will be reviewed every 3 years or sooner if required to ensure that the Association complies with up-to-date legislation and guidance.

9. Equality & Diversity

- 9.1 This policy has been developed in recognition that we have a pro-active role to play in valuing and promoting diversity, fairness, social justice and equality of opportunity by adopting and promoting fair policies and procedures.
