Comments (Housing quality and maintenance)

The number of abeyances for SHQS has increased significantly. This is due to the revision to the Tolerable Standard in relation to Electrical Checks. For each abeyance, we attempted to gain access on 3 separate occasions without success. We will continue to pursue these with a view to ensuring full compliance as soon as possible.

In relation to the revision to the Tolerable Standard with regard to Smoke and Heat Detection Systems, the Association upgraded all properties with the exception of 4 by 31st March 2022. We continue to pursue the remaining 4 properties with a view to full completion as soon as possible
