

TENANT PARTICIPATION STRATEGY REVIEW

TPS - have you heard about it? What does it mean?

Well let us explain... We are required by law to put in place a Tenant Participation Strategy that states exactly how we will keep our tenants informed about any work that is currently ongoing as well as any future plans that we will undertake.

The strategy states how tenants can get involved and have a direct influence on the housing services we provide. We are always keen to have tenants come on board. Unfortunately the response in the past has been limited however we want to change this!

The Tenant Participation Strategy is reviewed every 3 years and we are currently in the process of reviewing the strategy for the 1st April 2024 - 31st March 2027.

**It is important that you have your say...
Please contact your Housing Officer on 0141 552 7928 or
email info@spireview.org.uk if you would like to get
involved.**
