Comments (Housing quality and maintenance)

Scottish Housing Quality Compliance. The 2 failures noted would have been addressed by bathroom replacement. However, these were unable to proceed due to COVID 19. It is anticipated that these works will be completed by May 2021 and full compliance will be met.  
EPCs - the Association had instructed a number of replacement EPCs for those that had expired. This exercise has also been delayed by COVID but will be completed once permitted.
